Our experienced team is ready to provide exceptional service and help you set up exactly what you want and need, whether for a meeting, a conference, a seminar or something completely different.

“

After our first event at Astralis Nexus, we rushed to book a new event.

Food, drink and good service were to be found in abundance.

Definitely the most professional and welcoming setup we have encountered on

“

We have successfully organized several career fairs for IT professionals at Astralis Nexus.

I would like to highlight the excellent service from the staff and the top-notch location.

Highly recommended from us!

E-TEAMBUILDING

TEAMWORK.EXE

Does communication in the office need an upgrade or inspiration? Maybe the organization just needs a fun, educational experience while they get to know themselves and their colleagues in a new way? Then Astralis Nexus Team Building is tailored for you!

We provide new tools to communicate more effectively, work under pressure, take responsibility for each other and most importantly; working as a team. You will be assigned an instructor who will teach you Counter-Strike regardless of level with built-in challenges. You will gain insight into important, positive and concise communication, distribution of roles, planning and execution of tactics.

Once the foundation has been laid, you will have the opportunity to play against your colleagues. Our experienced instructors guarantee that everyone can participate, whether you are a beginner or “Global Elite”.

TOURNAMENTS MARKETING VS SALES?

Is there a rivalry between your marketing and sales department? Maybe you need to shake things up with a healthy competition between the employees and the management?

Let us help you create a top- professional, yet fun and engaging Counter-Strike tournament for all.

We will provide snacks and drinks on arrival and what ever you need throughout the day.

Of course, we will also take care of all technical aspects and skilled instructors who will ensure that all participants enjoy the day.

GAMING & VIP

A PREMIUM EXPERIENCE

With room for well over 100 guests, we can host the smallest to some of the biggest gaming events. All our professional gaming stations have access to all the most popular games and of course the best gear on the market, so you never run out of challenges and entertainment.

At Astralis Nexus, you can expect a unique experience, whether you are interested in tournaments, team bootcamps, trying out new games or simply just want to game on your own or with friends. We offer the best facilities and just the right atmosphere – regardless of age, level or other differences.

It's a cool place!

Upstairs on the first floor, there are great computers for gaming, everything is set in a luxurious environment. They have a super friendly staff who are always ready to help or answer questions.

They also have awesome VIP rooms if you're a larger group going on a trip
